my existence/being
/faculties
- wa Allahu A-lam

2. So, I immediately,
came home, turned on
the Qur'an, rested,
and slept for about
an hour;

When I woke up,
I felt existential -
synchrony again with
all /most of my faculties
, including my intellect
; I felt like my
intellect/brain was
back in synchrony
with my existence/
being /faculties
[for lack of better termino-
logies].
